2026 BEHAVIORAL HEALTH CONFERENCE

Dates: November 9-10, 2026 | Location: In-Person in Las Vegas, NV

CONFERENCE PURPOSE

Hosted by the Bureau of Behavioral Health Wellness and Prevention (BBHWP), this conference serves as an opportunity to bring together behavioral health providers and key partners from across Nevada's behavioral health system.

The conference will provide education, training, and networking opportunities designed to strengthen workforce capacity, promote evidence-based and promising practices, encourage cross-system collaboration, and support the continued development of an integrated behavioral health system that improves outcomes for all Nevadans.

CONFERENCE OBJECTIVES

- **Provide key updates and inspire engagement** around the BBHWP 2025–2030 Strategic Plan
- **Foster meaningful collaboration and networking** among behavioral health professionals across disciplines
- **Support professional growth** through practical, relevant learning opportunities
